

CURRICULUM VITAE

Name and surname: **Ketty Leto**
Date of birth: 30/08/1980
Place of birth: Siracusa (SR), Italy
Work address: Via Emanuele Filiberto 6, 12100 Cuneo
Telephone: +39 3476973572
e-mail: ketty_leto@yahoo.it

EDUCATION

01/07/2004

Master Degree in Psychology, summa cum laude. Thesis title: "Brain development and phylogenesis of the self-conscious mind".

2004-2008

PhD programme in Neuroscience under the supervision of Prof. F. Rossi at the Department of Neuroscience "Rita Levi Montalcini", University of Turin, Italy. Thesis project: "Development of cerebellar GABAergic interneurons".

January 2006

Qualification for performing the profession of Psychologist.

2009-2013

Training and qualification in Cognitive Psychotherapy at "Centro Clinico Crocetta" of Turin (summa cum laude).

2011-2014

Master and qualification in Clinical Sexology

WORK EXPERIENCE

November 2008-2012

Postdoc fellowship at the Department of Neuroscience, University of Turin, founded by Fondazione per la Ricerca Biomedica Onlus. Research activities: study of the mechanisms of cerebellar development and phenotype specification.

March 2012-March 2015

Assistant Professor at the Department of Neuroscience "Rita Levi Montalcini", University of Turin. Work activities at the Neuroscience Institute of the Cavalieri Ottolenghi Foundation (NICO), Orbassano, Turin.

March 2015-present

Psychotherapist for adult individuals and couples. Collaboration, in quality of tutor, with the School of Psychotherapy "Centro Clinico Crocetta" of Turin.

FUNDING

Finanziamento (Miur) n. RBFR10A01S "Target generation of cerebellar and striatal neurons as preventive strategy for CNS disorders", approvato con D.M. n.556/2011. Fondi Provveduti: € 487.300

PRIZES

- "Optime" prize sponsored by "Unione Industriale" of Turin, for academic year 2004/2005.
- Prize for the best thesis of the Faculty of Psychology for the academic year 2004/2005, sponsored by Faculty of Psychology, Turin.

KNOWLEDGE OF FOREIGN LANGUAGES

Very good knowledge of English and French.
